Wednesday 26 June – Exam Contingency Day

The Joint Council of Qualifications (JCQ) have declared that Wednesday 26 June will be a contingency day for Summer 2024 examinations. This is the last date that any exam can take place on, should it have to be moved from its original time / date. The JCQ states: "The designation of a 'contingency day' within the common examination timetable is in the event of national or local disruption to examinations. It is part of the awarding bodies' contingency planning for examinations". **Students should be available to sit examinations up to this date if required, as instructed by JCQ.**
