

# Eckington School

Chorus Education Trust

12<sup>th</sup> January 2024

Dear Parents/Carers,

## Whole-school Curriculum Developments

At Eckington School, we continuously strive to provide an outstanding, broad and balanced academic curriculum. Our curriculum is split into three Key Stages. Key Stage 3 (years 7, 8 and 9); Key Stage 4 (years 10 and 11) and Key Stage 5 (years 12 and 13). Alongside our academic curriculum, we also offer a range of extracurricular opportunities, called Eckington Enrichment.

## New Curriculum Roadmaps

I am pleased to inform you that our curriculum leaders and subject teachers have produced new curriculum roadmaps that are now viewable on our newly launched school website under the Parent Hub – Curriculum Section.

These curriculum roadmaps have been designed to offer parents an overview of what your child will be learning in each subject throughout their educational journey.

I encourage parents to explore these curriculum roadmaps and utilise them as a useful resource to engage in discussions at home about your child's educational journey. Conversations at home will help foster a deeper understanding of the topics being covered in class. I hope these roadmaps will provide you with a useful resource to enable you to actively support your child's learning journey.

To view the roadmaps, please visit our Parent Hub section of the new school website: [Eckington School - Curriculum \(chorustrust.org\)](https://www.eckingtonschool.org.uk/parent-hub/curriculum)

## Eckington Enrichment (Extracurricular)

We are increasing our extracurricular opportunities for our students. Some of these opportunities are at lunchtimes and some are after school. Our extracurricular curriculum is called Eckington Enrichment.

Please visit the Extracurricular section within our website's Parent Hub for further information: [Eckington School - Clubs and extracurricular activities \(chorustrust.org\)](https://www.eckingtonschool.org.uk/parent-hub/extracurricular)

Thank you for your continued support and involvement in your child's education. Together, I truly believe we can help maximise every young person's academic potential.

Yours faithfully

Richard M Cronin  
Headteacher
